

MF **MERCURY**
FREIGHT
CARRYING THE FREIGHT OF GENERATIONS

MF ***IN MEMORY OF
MARGRIT WOLFF***

Mercury Freight (Pty) Ltd was founded by Margrit Wolff in 2012. Margrit's first business, Buffalo Freight Systems started in 1999. In 2006 she sold Buffalo Freight, but managed the business until 2012. That same year Margrit established Mercury Freight (Pty) Ltd. Margrit sadly passed away in 2020. Her service excellence, dedication and reputation in the freight industry live on in the daily operations at Mercury Freight's head office in Hyde Park, Johannesburg. As Margrit wished, Mercury Freight is a legacy for her grandchildren and a successful family owned and managed freight business.

MF Mercury Freight (Pty) Ltd provides specialized, advanced and multi-layered freight management and supply chain solutions for clients based in South Africa, Africa and worldwide. Our success lies in our relationships with our clients and the partnerships we build with suppliers, agents and service providers.

We provide superior service and expertise in Airfreight, Seafreight, Forwarding, Clearing and Transportation of your cargo. We look forward to discussing how we can offer you a complete logistics solution suited specifically to your requirements.

MF **GLOBAL SEA
FREIGHT IMPORT
AND EXPORT**

Mercury is a globally-networked logistics service provider with expertise in all processes related to international seafreight. We ensure that your goods arrive safely, on time, at their destination. We source the best sea freight solution, tailored to your specific requirements, for your one-time shipment or regular dispatch of goods. We manage full-container-loads (FCL) and less-than-container-loads (LCL) to your point of destination.

MF GLOBAL AIRFREIGHT IMPORT AND EXPORT

Global Airfreight is a fast-paced industry with shifting demands and capacities. Mercury allows you to focus on your business while we handle your airfreight logistics. We have a diverse range of products and valuable services, to provide you with the best, most efficient, cost effective and complete solution. Mercury has experience in preparing the transportation of perishable food items including meat products, hazardous goods and pharmaceutical products. We will find logistics solutions for all your import and export airfreight goods.

MF ***FREIGHT FORWARDING***

Mercury Freight provides services at departure, transshipment and destination ports, including transit, import and export formalities, cargo handling operations, documentation flow control, and road or rail pre-carriage and on-carriage. We aim to offer the best service, freight rates and most efficient transit turnaround time possible.

MF *CUSTOMS CLEARANCE*

Mercury Freight's dedicated Customs & Excise Department ensures that your cargo clearances are seamless and your customs declarations are accurately processed. Our Customs team will assist you with all your requirements in respect of SARS, vat and duty requirements, tariff determinations, tariff rulings, bond and rebate store applications and Importer/Exporter registrations. Our Customs specialists pay close attention to your cargo and make the necessary critical arrangements to assist with cargo releases.

MF ROAD AND RAIL

Mercury will manage all your road and rail transportation needs from collection to final destination. We operate within a substantial road and rail network across Africa and provide flexible and affordable solutions based on your cargo's volume and weight specifications.

MF *MILITARY REGISTRATION CERTIFICATE*

Mercury Freight is in possession of a military registration certificate, issued through the NCACC, that enables us as a clearing agent and forwarder to move and clear cargo, imports and exports, classified as conventional arms ITO section 13 of the conventional arms control act (act no 41 of 2002).

MF *INTERNATIONAL REPRESENTATION*

Mercury Freight is supported globally by a network of 52 freight agents, ensuring an efficient and reliable service for all our customers all over the world. We enjoy excellent co-operation from all our international agent partners.

MF WCA MEMBERSHIP

With over 12,017 member offices in 196 countries around the world, WCA World is the world's largest and most powerful network of independent freight forwarders. The combined logistics might of the WCA World membership exceeds that of even the world's largest multinational freight forwarders.

MF *MERCURY MAGIC OUTREACH*

Mercury Freight reaches out locally and globally to touch lives and help those in need. This magic is made possible through your support. Mercury supports orphanages in Ukraine and South African local charities, people and communities in need. We commit to touching more lives and appreciate your continued support to be able to make a difference in many lives.
